

Lord of the Flies: William Golding : Golding, William By William Golding Mi lascia qualche perplessità il modo in cui sia possibile garantire a questa nuova società una progenie non essendovi nel romanzo alcun riferimento ad una componente 304 pages Bello. 304 pages tutto ok 304 pages Il libro narra la storia di un gruppo di ragazzi britannici finiti su un'isola disabitata in seguito alla caduta in mare dell'aereo sul quale si trovavano. Capitati in un ambiente idilliaco gli istinti prendono il sopravvento e a poco a poco mettono da parte la 304 pages First published in 1954 Lord of the Flies is now recognised as a classic one of the most celebrated and widely read of modern novels. This edition which includes an introduction and notes by Ian Gregor and Mark Kinkead Weekes meets the demand for its use in schools and its prescription by numerous examining boards.

This is for my daughter whose teacher suggested she read it. This is the particular 'educational edition' I was looking for as it has a helpful glossary and study material in the back of the book: is a bit confusing sometimes as the reviews for 'Lord of the Flies' are on ALL editions of this book, 304 pages A literary great LotF explores the complexity of society through tweens, Despite some flaws in the plot and a anticlimatic ending the book is absolutely loaded with complex techniques that allow for one to interpret in so many ways. This makes an easy book to write about in an exam which I presume the target customer for this book will be people doing exams as it is an educational edition. Anyway the difference between this and a normal copy is that this has a chapter summary and detailed questions for each chapter, It's a great revision resource and allows you to expand your viewpoint of the novel, The book is included in its entirety without any breaks for the study notes and questions, These are all included after the novel so if you wished you could read the book without ever referring to them: However the thought provoking questions and short summaries are useful, Particularly good is a short dictionary explaining some of the words and terms which are now a little aged, Definitely worth an extra pound or two for a teenager (my son) studying for GCSE. It goes without saying its a good story but you knew that: 304 pages Nessuna pecca come un classico libro acquistato in libreria, 304 pages I bought this book expecting to read about the adventures of a down at heel peer of the realm working at a landfill site. However it turned out to be about a group of children marooned on an island who have to fend for themselves, It explores the conflicting human impulses toward civilisation and social organisation—living by rules peacefully and in harmony—and toward Nietzsche's will to power. 304 pages

Ottimo prodotto qualità prezzo 304 pages Il raccapriccio consiste nell'essere riuscito l'autore a cavare tanta crudeltà da questi adolescenti: In compiling the notes they have borne in mind the needs of younger readers not only in this country but overseas. Lord of the Flies: William Golding : Golding William Born in Cornwall England William Golding started writing at the age of seven, Though he studied natural sciences at Oxford to please his parents he also studied English and published his first book a collection of poems before finishing college, He served in the Royal Navy during World War II participating in the Normandy invasion, Goldings other novels include Lord of the Flies The Inheritors The Free Fall Pincher Martin The Double Tongue and Rites of Passage which won the Booker Prize. I recommend THIS version for study purposes. I'm very pleased. This might sound useless but trust me it isn't. 4.5/5 304 pages A nice edition. Despite the confusion my 11 year old son loved it.
