three unique perspectives on forestry the landowner the consulting forester and the logger. **Book A Landowners Guide to Managing Your woodspring suites** Severson Mike This book was informative accessible well written and inspiring. **Book A Landowners Guide to Managing Your woodside** Severson Mike I went to the Mother Earth News Fair at Seven SpringsPA and listened to the author of this book speak: **A Landowners Guide to Managing Your woodsongs** I was impressed with what I heard so I decided to buy the book: **A Landowners Guide to Managing Your woodszz guest** Severson Mike I wanted a book to tell me what to do with some woodland property that I inherited, **A Landowners Guide to Managing Your Woods books** This book did a pretty good job of talking about using woodland property to produce timber for sale: **A Landowners Guide to Managing Your woodsmith magazine** Severson Mike Very easy to understand and a easy going friendly approach with real average people managing their forests. Severson Mike. Severson Mike

Excellent book. This book focuses on the forest part of the equation. Chapters are focused on simple but well documented themes. It goes pretty heavily into the forestry side of things. Severson Mike.
