Paperback Moon touched is the story of Aiya a half breed wolf shifter who is the daughter of the Cancer's pack Alpha who of course treats her like trash along with her step mom and most of the rest of the pack. **Moon Touched epubor** Shortly after her 22nd Bday she goes to the convergence where all 12 of the zodiac packs go to get their wolves at that age and hopefully find their mate when the sun witches release their mate bonds. **Moon touched rapier** Kindle Edition Hardcover Paperback I enjoyed this book started reading Friday morning and had it finished Saturday night could barely put it down! Fast paced and great detail! Kindle Edition Hardcover Paperback I like premise and having finished the book I am looking forward to seeing what the other signs have as powers. **PDF Moon touched synonym** It was an interesting read! Kindle Edition Hardcover Paperback I've been in a reading and ordering mood lately and have ordered a good 10 or 15 books this one is no exception came in fast shipping as described it was slightly damaged during shipping as it was put in with a couple heavier items but not enough for me to return it and I Kindle Edition Hardcover Paperback Engaging characters and fast moving plot with plenty of action and romance too. **Moon touched sickle** Cannot wait to read the next one Kindle Edition Hardcover Paperback Great Read Kindle Edition Hardcover Paperback Slow start but looking forward to the next book and continuing the journey with Ayla and Kaden. **Moon touched scimitar** Hoping it's not the same in all books Kindle Edition Hardcover Paperback Moon Touched (Zodiac Wolves Book 1) eBook : Briggs Elizabeth: : Kindle Store Moon Touched (Zodiac Wolves Book 1) eBook : Briggs Elizabeth.

. **Moon touched scimitar** Unfortunately for Aiya her bond ends up being with the future alpha of their rival pack and all hell breaks loose when he rejects her. **Moon touched blade** She ends up still packless and fighting for her life when the lost pack's alpha Kaden shows up and takes her with them: **Moon touched dagger 5e** Bem escrito a história nos faz viajar e as cenas de ação também são bem descritas, **Moon touched book** I mean I could guess but zodiac signs cover a few concepts some less obvious than others: **Moon touched book** Kindle Edition Hardcover Paperback A bit of a slow start I will read the second book before I make my decision, **Moon touched book** Again I find myself reading and wishing this was a dual POV: **Moon touched dnd 5e** Kindle Edition Hardcover and ends with a continuation of the story in the next book: **Moon touched spear** I am really enjoying this take on the story and love Aiya & Kaden together, **Moon touched dnd 5e** The end of the first book was predictable and I can see where this story is going but I'm still enjoying it enough to continue on and see what happens next. **Moon touched scimitar** Kindle Edition Hardcover Paperback It took a little bit to get into this book but I can see why the author had to lay the groundwork for the heroine's story. This book is spicy.

## Moon Touched bookworm

Fortes emoções. Isso resume esse primeiro livro da série. Um romance quente eu diria. So far so good. this is a slow burn. A bit spicy but nothing crazy. I hate not knowing what the guy is thinking...
