

The Masks of Odin: Wisdom of the Ancient Norse By Elsa Brita Titchenell **Masks incredibox mod**
Elsa Brita Titchenell This is one of the best books on Germanic Mysticism available (actually there aren't many out there modern Heathenism would seem to be going through a rather infantile we want to be different from anyone else phase often with the baby of actual metaphysical truth Elsa Brita Titchenell When I first encountered this book I was loaned it by a friend when I intimated that I was interested in Norse heathenry and considered myself heathen (or Odinist Asatru or whatever other label you like for your particular flavour of paganism).
