**mare** Now with a brilliant new cover look and including an extended author biography: **Blitzcat**  
**robert westall** Blitzcat I had this book myself and bought it for my neice who loved it as I do.  
**Blitzkarte live** Sometimes very dark but does have a happy ending Robert Westall Very descriptive  
definitely for key stage 3 upper. **Blitzcasiono** I was curious as to what lay behind their reticence to  
finish it. **Blitzcasiono** Arrived today and I took a sneaky peek at it ended up reading half in one go  
and will read the rest tomorrow. **Book blitzcat** Absolutely as brilliant as I remembered when I read  
it with my own children thirty odd years ago[1]

But I absolutely loved it. I was so moved by it it still stays with me now. Wherever she went she  
changed lives . . From her beginning to her end she never wavered. She was the Blitzcat. She made  
her way down the cliff and on to the beach. Wherever she went she changed lives . . From her  
beginning to her end she never wavered. She was the Blitzcat. Robert Westall.
