### Book the lifeboat

The Lifeboat Courage on our Coasts accompanies a National Outdoor Touring Exhibition which is free of charge; available 24/7; in all weathers much like the RNLi itself. **The girl in the lifeboat book** We hope the exhibition enables even people a chance to see and feel the importance of this charities lifesaving work, **Icon of the seas lifeboats** [uk/courageonourcoasts](http://uk/courageonourcoasts)

As an ex lifeboat crew member I found it very good. **The two lifeboats sheringham norfolk** A write up on my old station was quite small but one of the pictures of a local fundraiser was equal to the value of the book. **Lifeboat launching procedure pdf** This was a present.
