. I'm 4 years cancer free. I will continue to look for books by this author. I hope s/he will continue to put out great books. them. Always. I know there are other books like Damon Brand's book. This book has worked for me twice. I will continue to work with other angels. I check out a lot of books each month. I only wish it were hard copy. I know that what Kadmon talks about is true. Too many red flags for me. Wer damit arbeitet macht Gotteslästerung. Das gilt auch für seine anderen Bücher. This book will do for you miracles. I admire incredibly Baal Kadmon and his magnificent books
