

Vlad and the First World War (A Flea in History) By Kate Cunningham **The story of vlad the impaler** The way the story is told and beautiful detailed pictures it was a pleasure to read and that was before I shared it with my child! Their eyes lit up asking questions and sharing their answers before we turned the next page. **The story of vlad the impaler** Can't wait before the next adventure really helps to put the reader in that moment of history! Excellent! English Kate has worked for development charities and been a primary teacher in London. Recommend it for all KS2 children to read and year 2 with support. **The story of vlad the impaler** English Son enjoyed reading this book English Another wonderful book from the Cunninghams author and illustrator: **The story of vlad the impaler** She now lives in a house held up by books writes about Vlad and visits schools (often dressed in a kirtle), **Vlad and the First World warker troutman** Her website includes information about these visits free planning for teachers and links and ideas on topics and reading with children, **The story of vlad the impaler** ukVlad flea is with his friend Crisp VC the carrier pigeon are on a mission to deliver a secret message: **The story of vlad the impaler** It is 25th March 1918 and the friends are behind enemy lines. **The story of vlad the impaler** They must dodge the dog fights survive the trenches and seek help from the staff of the hospital tent as they race to reach Britain safely: **Vlad and the First World warcraft 3** In this adventure Vlad encounters Skipper Thomas Crisp Second Lieutenant Walter Tull Dr Phoebe Chapple and the Red Baron, **The story of vlad the impaler** Once again Vlad narrates a key moment in history as he experiences it with his friend: **Vlad and the First World warfare 40% sale** This picture book also includes a map glossary and fact file to put the story in context. **Vlad and the First World warjack** Vlad and the First World War (A Flea in History)
