.\$10. Hooray for Billy Plimpton long may he live. This is the author's first book I hope she writes many . You'll laugh you'll cry you'll feel all the feelings. I read this book with my son in year 7. The story of a child with a passion! A dream. Examples of how to develop self acceptance. The ever supporting accepting granny. I predict tears (not from my son). I really recommend this book. I especially adored Granny Bread! Faultless. Entertaining. Emotional. I ended the book crying! Yes crying. This book needs to be read. If you need a book to read read this. You won't regret it. And Billy faces several challenges like bullying. Each chapter starts with a joke
