Star of the Dick Barry film *The Last of the Ski Bums*? The author appears to have relied mostly on her own experiences in the ski world a rather small portion of the ski world rather than reaching out to sources with knowledge. **Powder Days ebooks free** I actually don't think she is very good at explaining what she likes about skiing or being a ski bum or describing the people and areas and how the ski bums manage as ski bums (other than drinking all the time). **EPub Powder dayspring** I don't think she likes herself.
