

Historical Curious Map The agile rabbit book of historical and curious maps Van Roojen, Pepin By By Pepin Press The selection is of great diversity in appearance and meaning; there are comparative overviews of the length of rivers and the height of mountains nautical charts medieval city plans and maps from pre historical times. Also included are images of how Europeans perceived the world to look like many centuries ago highly detailed birds eye maps from Japan and archaic captivating charts made by Native Americans and Australian Aboriginals: 978-9057680519 Really neat book of odd maps and diagrams from various historical sources. Comes with a CD that you can download images and print for personal use. 978-9057680519

Belle illustrazioni anche se prive di didascalie: 978-9057680519 Fell to pieces when I opened it if the book's this bad then what would the C. I was tired of MapQuest and Google maps and wanted something I could hold in my hands as I trekked through history. My adventurous run through the Mongolian Empire prior to the 18th century was made easier by this book. Not to mention the star maps I used as I blasted my way through the Milky Way to see what was on the other side (just space.

Imagine that!): The best bit about this book of charts is that the paper is slick and thick: So if the spit of a camel drips on it as you're trying to cross a desert (stupid things always spitting!) it easily wipes off and the map is still easy to read, As GPS and Google require batteries this book only requires your hands, 978-9057680519 Comme tous les autre livres de la collection il est parfait contient de belles images de cartes de toutes sortes: 978-9057680519 Très bel ouvrage à recommander aux curieux livre en parfait état avec cd rom inclu des cartes en version numérisées HD: Bref un achat qu'on ne regrette pas pour tout amateur de curiosité ou géographe passionné. 978-9057680519 The Agile Rabbit Book of Historical and Curious Maps contains a collection of amazing and beautifully made maps that have been chosen for their visual impact and rarity: Further there are a number of very extraordinary maps with a double meaning. Historical Curious Map The agile rabbit book of historical and curious maps Van Roojen Pepin.
