

Gods Lyrics: Rediscovering Worship Through Old Testament Songs (English Edition) eBook : O'Donnell, Douglas Sean By Douglas Sean O'Donnell Is God's justice any less an admirable attribute than His love? Or are we ashamed that our God is a God of wrath? As Paul said in Acts 20:26 27: I testify to you this day that I am innocent of the blood of all men. The main reform pushed by the author is that we have neglected certain principles found in the word of God and that our Christian songs often times are so vague in language that they are by no means distinctly Christian. It analyses ancient and modern hymns and modern choruses from a particular perspective and suggests ways of redirecting our gaze back on God and his great and away from our own feelings.
