

Mel Bays Guitar Chords By Mel Bay

This book right here tough me every chord I know on guitar besides the G chord my grandma tough me that chord when I was 6 years old Mel Bay It's a book of chords, I mean it makes a nice reference but it's not something you're likely to look at much. A lot of these chords are super complicated jazz and classical chords which again is nice to see: But your average guitar player is never going to play these, Maybe this book will prove to be indispensable to me at some point in the future but I doubt it: Mel Bay GUITAR CHORDS Mel Bays Guitar Chords

. That's it. Not particularly useful on its own
