

Out to Eat London 2001 (Lonely Planet) By Lonely Planet K = thousand/1:100000 M = million/1:1 million na = scale not available var = variable scale p = pages (atlases) Please note: large-scale cartography provides more detail than small-scale cartography. It took several months and at the end - broke but inspired - they sat at their kitchen table writing and stapling together their first travel guide Across Asia on the Cheap. This title describes the coverage of the map as well as any unique map features. If no features are listed it can be assumed that the map is a paper folding map: We encourage customers to include the title along with the Map Link Code or ISBN Number to assure the correct map is ordered: Most of the maps we sell are folded except topographic maps wall maps and atlases: Wall maps are listed with dimensions in inches appearing in the title field (height x width), Each code begins with the map publisher's abbreviation followed by an abbreviation of the title. Please refer to this code or the ISBN number when ordering: Please refer to the Map Scale Guide on the next page for more information about scale: Out to Eat London 2001 (Lonely Planet)OUR STORYA beat up old car a few dollars in the pocket and a sense of adventure, In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime - across Europe and Asia overland to Australia: Within a week they'd sold 1500 copies and Lonely Planet was born, One hundred million guidebooks later Lonely Planet is the world's leading travel guide publisher with content to almost every destination on the planet[1]

Each map listing begins with the map title field. Map Link uses this code to identify each product. The following abbreviations are used in the scale field.
