

Memoirs of a Geisha: A Portrait of the Film By David James True the movie and pictures kinda blow it for the imaginative reader but if you are anything like me who is fascinated by the beauty of the ancient Japanese culture you will not be disappointed by these stunning pictures captured from the film. I had thought I had a grip on what a geisha was but I realize now that I had no earthly idea! A geisha is not simply a girl who dresses up really pretty like a doll and goes around with wealthy men as I erroneously had thought! These women came from all walks of life both poor and uneducated and wealthy privileged families. (the movie shows this decline in detail) If you like period movies and exploring different cultures and traditions you will absolutely love this book! My husband thought it was a chick flick (I know typical male) but was pleasantly surprised when he watched the movie (he had no choice) with me. 144 A stunning visual companion to the highly anticipated new film from director Rob Marshall (Chicago) based on the international bestseller by Arthur Golden—a major holiday release from Columbia Pictures. Featuring over 150 full-color photographs and drawings this lavishly illustrated book captures the artistry and romance behind the exquisite new film from Rob Marshall the director of the Oscar®-winning film Chicago starring Ziyi Zhang (House of Flying Daggers) and Ken Watanabe (The Last Samurai). Directed by Academy Award®-nominee Rob Marshall (Chicago) and produced by Lucy Fisher Douglas Wick and Steven Spielberg from a screenplay by Robin Swicord and Doug Wright Memoirs of a Geisha features an all-star Asian cast including Michelle Yeoh (Crouching Tiger Hidden Dragon) Koji Yakusho (Shall We Dance?) Youki Kudoh (Snow Falling on Cedars) and Gong Li (Raise the Red Lantern). Based on the internationally acclaimed novel by Arthur Golden Memoirs of a Geisha is a sweeping romantic epic set in the mysterious and exotic world that still casts a potent spell today:

Librarian Note: There is than one author by this name in the Goodreads database, David George James is a professional stills photographer born in Birmingham UK: He worked on movies including Schindlers List Saving Private Ryan Batman Begins Mission: Impossible - Ghost Protocol Star Wars: The Force Awakens and Mission Impossible: Rogue Nation. Librarian Note: There is than one author by this name in the Goodreads database: David George James is a professional stills photographer born in Birmingham UK, He worked on movies including Schindler's List Saving Private Ryan Batman Begins Mission: Impossible - Ghost Protocol Star Wars: The Force Awakens and Mission Impossible: Rogue Nation. {site_link} pretty 144 Read the book before you see the film, 144 If you are currently reading or about to read Memoirs of a Geisha this is a gorgeous visual refrence from the film: It also puts what is happening in the book into visual perspective, 144 I have not read this book but I have read the original book Memoirs of a Geisha and seen the movie both several times: I can say that you won't regret reading or viewing anything to do with the book or the movie, A wonderful vacation to WW2 Japan into the sizzling and competitive culture of the apprentice and actual Geisha girls: They were the chosen ones because one had to have talent discipline intellect and wit to be a geisha: After WW2 the geisha culture declined and though I believe it was an exploitation of the female species I actually grieved right along with the author as the culture dissipated. LOLI recommend the book and movie to all age groups and a man OR a woman! 144 Really enjoyed this book: Found it really interesting and informative 144 Absolutely cherish this

novel , 144 Jako lep i interesantan dodatak namenjen onima koji obožavaju film. 144 I usually don't buy movie books but I opened an exception for this one and never regretted it, The story begins in the years before WWII when a penniless Japanese child is torn from her family to work as a servant in a geisha house, Despite a treacherous rival who nearly breaks her spirit the girl blossoms into the legendary geisha Sayuri (Ziyi Zhang), Beautiful and accomplished Sayuri captivates the most powerful men of her day but is haunted by her secret love for the one man who is out of her reach (Ken Watanabe), The Newmarket Pictorial Moviebook explores the intricate process of re-creating the period and world of the geisha. Special sections showcase production design makeup choreography and costumes featuring kimonos created especially for the movie by five-time Oscar®-nominated costume designer Colleen Atwood, Sidebars throughout also provide fascinating historical background on the geisha culture. 144 This was a really poignant book. I loved learning all the history about geishas. Now any girl with make-up and a fan can be a geisha. one of a kind . such rich melancholy yet gratifying . dejected at the realization of completing the novel. Gorgeous. *Memoirs of a Geisha: A Portrait of the Film.*
