

Confessions of a Naughty Headmaster By Laurel Bennett Even though this is not a book for a teenager it is a great book for someone old enough to understand the difference in sex without the benefit of marriage and sex with the benefit of marriage. Confessions of a Naughty Headmaster A short.

On my honor I do solemnly swear that no innocents underage women or Regency rakes were harmed in the making of this story. I just read it is supposed to be from the perspective of the Headmaster this time around really? Confessions of a Naughty Headmaster I was kind of hating the headmaster until the end, Not much else to say Confessions of a Naughty Headmaster At the time of writing this review this short story was offered as free in the Amazon Kindle Store. Please support the author and legally acquire your own copy of this book. To form your own opinion acquire your own legal copy of this short story: While reading this story it makes the reader think that there is a child predator that works in at an all girl school, Yes.

There is sex involved but that sex is between a husband and a wife, I enjoyed how the author created a story where there is play acting between the spouses allowing them to create their fantasy without breaking the bonds of marriage. I would love to read a full length book by this wonderful author: Our hero finds himself in trouble when Miss Winters is sent to his office for punishment, Is he strong enough to withstand her youthful innocence and passion? Excerpt: I highly doubted this little slip of a girl could influence all the others: She was fairly quiet even if she didn't form to certain social constrictions, " It was only then that I realized she had a birch stick in her hand: I'd never raised a hand to a single one of the girls. Miss Haughton shuffled in her place the birch stick whapping her leg as she fidgeted, Then she finally said something beneath her breath and started for the door. " I held out my hand and I waited for her to turn it over. She looked none too pleased as she placed it in my palm. Then she turned and quit the room her skirts flurrying about her, Miss Winters on the other hand...My cock twitched at the very thought of her. Miss Winters looked at me as though I'd grown two heads those blue eyes blinking in question: I lowered my forehead into my palm again and massaged it, But I had a feeling Miss Haughton would be nearby just waiting to hear my verdict about her behavior, "Miss Winters did so gingerly balancing her bum on the edge of the chair, She stole the words right from my mouth when she looked at my lips. Good God I could do wonderful things to her with my lips. Confessions of a Naughty Headmaster This is the same story as the Headmaster's Fall by her, Lol! Totally caught me off guard! Confessions of a Naughty Headmaster A short yet sweet read in fact not sweet but hot, Brilliantly written and the twist at the end was unexpected and really enjoyable: Not bad for what it was fun and sexy story 4 stars This is a very short and sexy erotic tale and the first that I have read by Laurel Bennett. It's the same story as The Headmaster's Fall but this time seen through the eyes of the headmaster rather than Miss Winters. At only 17 pages long the book is more of an encounter rather than a full story. Having said that the writing was very good the situations hot and I enjoyed it very much: The twist at the end is both welcome and handled well; it made me like the story much more, Overall if you're looking for a hot 10 minute read then I would recommend this to you[1]

But very short and a little predictable. Confessions of a Naughty Headmaster

Real short. A sorta-maybe- twist at the end that made me laugh. Confessions of a Naughty Headmaster 3.5 stars. Surprisingly this is a pretty good one. Confessions of a Naughty Headmaster Short. Sexy. The following review is my opinion of the short story. Please be aware that this review may contain spoilers. This is a very short story only 17 pages. It can be read in about 10 minutes. But it all becomes clear at the end of the story. I truly enjoyed how the author wrote this book. yes there is a huge difference. But that is my opinion. I will look for additional books but this author. Thanks for a good read Laurel Bennett. The bunnies and I give this short story 4-Carrots. Best regards Laurel Bennett PS. This is not a full length novel. A virgin a rake Regency England. pleasure. I raised my brows at Mrs. Haughton and glared my best stare at her. "You. May. Go. The kind she liked to use to punish the girls. I'd never not once used any such item. I might send them to their room without supper. Or force them to read. But I'd never harm one of them. "Wait" I called. She turned back to me with an anxious look. "I'll have the birch stick. I had no desire to see her ankles. Not one bit. I still couldn't stand. "Close the door" I said. I didn't have time to wait for the erection to pass. "Close the blasted door Miss Winters" I repeated. She moved quickly to do so. She obviously warred with the impropriety of it. And I didn't want to give the woman the satisfaction. I pointed to the chair across from my desk. "Sit Miss Winters. "I can explain my lord" she rushed to say. God she was pretty. My lips. I could already taste her on my tongue. Am I wrong here? How is this possible. Two different names but the same exact story?. I feel duped. Confessions of a Naughty Headmaster 2.5 stars. 4 stars. Confessions of a Naughty Headmaster.
