I loved this book to the point it made me sad when it was done cause I have to wait for book 4! If you are a Kizzie fan like me then you also will love this book! This is a snarky sexy fun read! Sake Bomb (Kizzie Baldwin Erotic Thriller Book 3) I feel like I waited forever for this book and it was worth every minute! It's snarky funny sexy and full of action. **Suspense Sake bombshell** I couldn't put it down! Sake Bomb (Kizzie Baldwin Erotic Thriller Book 3) Where do I start?The change in relationship between Xander and Kizzie over the last three books has had me captivated. **Sake bomb average price** It's killing me! I really want them to get together!Other than that I was drawn into the story though admittedly at the beginning I had no idea what was happening but it was all explained as we went from viewpoint to viewpoint of the pivotal characters in the story.
