

Rain, Fog, Metaphors and Moose: Reflections from a five-day hiking trip at Isle Royale National Park  
By Brian Retzler Kindle Edition What is it like to hike through the cold driving rain? Or to push through the syrupy-thick fog while wondering what's lurking ahead? How does it feel to bask in the warmth of the sun on a remote shoreline or feel the shiver of the nighttime chill while rain falls all around you? Have you ever encountered a moose in the wild or been awestruck by the Milky Way spread across the pitch-black sky? In September 2013 the author and three of his friends spent five days backpacking at Isle Royale National Park. **Rain, Fog, Metaphors and moosehead lake** It is located between Canada and the northern-most shore of the state's Upper Peninsula in the middle of the frigid waters of Lake Superior. **Book Rain, Fog, Metaphors and moose lake** Isle Royale contains 165 miles of hiking trails and numerous inland lakes that are popular with canoers and kayakers: **Kindle Rain, Fog, Metaphors and moosehead** The island is home to a variety of animals such as fox beaver pileated woodpeckers loons sandhill cranes and even populations of moose and wolves, **Book Rain, Fog, Metaphors and moosehead** The island's isolation is unique and one of the main reasons for an on-going study of the predator/prey relationship between the island's wolves and moose: **Rain, Fog, Metaphors and mooseder wohnbau** As a matter of fact the research project is the longest continual study of its kind in the world: **Rain, Fog, Metaphors and Moose kindle cloud** It doesn't matter if you are an avid backpacker or the type of person who prefers a good nature documentary from the comfort of your warm cozy living room: **Rain, Fog, Metaphors and Moose booking** Rain Fog Metaphors and Moose: Reflections from a five-day hiking trip at Isle Royale National Park

[1]

Interesting book on a fantastic topic. Was funny and informative at the same time. Quick read and a great reference. The island is Michigan's only National Park. If you enjoy the outdoors you will enjoy this book
