

Forced Master: Exhibitionism, Public Humiliation, BDSM By Daisy Rose

Force master chief atlantic fleet

Orphaned since young only thing that street dancer Fey really owns is herself: **Force master plus I-9160** So when wealthy businessman Cain Jacques hires her to perform in his home for a substantial fee she believes it will be the start of a better life. **Forced maternity leave** But when she arrives at Cain's estate it does not offer the freedom and luxury she expects, **Force master mode or slave mode** Before she can accustom to the new surrounding she is stripped spanked and taken hard by strangers. **Forced maternity leave** Will she be able to handle being filled by everyone? By the time they're done with her will she still own herself? Forced Master: Exhibitionism Public Humiliation BDSM
