

Irrevocable: A Philosophy of Mortality By Alphonso Lingis **Irrevocable discretionary trust** In his latest book the prolific writer and thinker Alphonso Lingis brings interdisciplinarity and lyrical philosophizing to the weight of reality the weight of things and the weight of life itself. **Irrevocable discretionary trust** Writing as much from his own experiences and those of others as from his longstanding engagement with phenomenology and existentialism Irrevocable studies the world in which shadows reflections halos and reverberations count as much as the carpentry of things. **Irrevocable trusts explained** Whether describing religious art and ritual suffering war and disease the pleasures of love the wonders of nature archaeological findings surfing volcanoes or jellyfish Lingis writes with equal measures of rigor and abandon about the vicissitudes of our practices and beliefs. **Book irreversible damage** Knowing that birth the essential encounters in our lives crippling diseases and accidents and even death are all determined by chance how do we recognize and understand such chance? After facing tragedies what makes it possible to live on while recognizing our irrevocable losses? Lingis's investigations are accompanied by his own vivid photographs from around the world,
