Great British Vegan: Simple Plant-based Recipes to Cook the Nation's Favourite Dishes

\* I received this book as a free eARC from White Lion Publishing and NetGalley in exchange for an honest review \* This book is incredible! A perfect collection of recipes for any fan of classic UK

meals and pub grub. **Great British Vegan ebook reader** Not being a Brit myself I have no craving for a typical British breakfast but I am happy to see that it is easy to make a vegan version without just having to stick to toast tomatoes and beans. **Book Great British vegan food**

The title is obviously a play on the famous British show of the same name and if you've watched GBBO you'll be familiar with many of the dishes especially the baked desserts mentioned throughout this book.

**Great British veganic** But for a cosy treat they sound perfect! The book is very helpful from offering a list of seasonal produce at the beginning of the book to mentioning gluten free substitutes for some recipes to offering suggestions for plant-based products (Those are from mostly British companies for what that's worth. **Great British Vegan book**

There's plenty of recipes for building block ingredients that can be used in recipes throughout the book from bacon bits and crispy bacon strips to easy custard and cashew cream and cheese sauces. **Great British vegan rostock**

But even so even for me there were many recipes that sounded both safe and delightful from Leftovers Bubble and Squeak to Cider and Bean Stew with Herby Dumplings Cheesy Pea Soup Brussel Sprouts with Chestnuts and Bacon Bits Beefy Mushroom Stew with Cauliflower Mash Golden Roasted Parsnips and Carrots three kinds of gravy Artichoke Fishcakes with Dill Mayo and Beer Battered Tofish and Chips with mushy peas (I'd have to do some tweaking on that last one for it to fit my restrictions but the idea of laying sheets of seaweed across chunks of tofu to create both the skin feel and ocean flavor of fish really seems like it could be amazing. **Book Great British vegan aioli**

There's also mouthwatering dessert recipes that would be difficult to tweak to my standards but gosh it might be worth trying from Lemon Drizzle Loaf and Earl Grey Tea Loaf to Christmas Cake and Chocolate Orange Christmas Pudding and Jaffa Cakes and Eton Mess. **Great British vegandale fest** Hardcover We have been trying to eat vegan or vegetarian a few times a week lately and I was excited to try some recipes from a cuisine that I enjoy but don't commonly see vegan recipes for. **Great British vegandale fest** The recipe has you add a nori skin to the tofu before frying which we thought was so creative and did add just enough seafood flavor to give it an actual fried fish vibe. **Great British veganbunnychef** I would absolutely make this again! Cheesy Pea Soup We messed up on this and I can't fault the recipe for my lapse in judgement! I'm allergic to cashews and I hypothesized this would still work with a sunflower seed substitution. **Book Great British vegan restaurants** Haggis with Neeps & Tatties We made this recipe for a Zoom Burns Night with friends and it was fun to try if a bit labor intensive to time four separate elements to be ready at once. **Great British vegandale fest** The vegan haggis had great flavor and texture and went nicely with the recommended gravy! The space on my cookbook shelf is limited but this one might just have a permanent home there. **Book Great British vegan protein** I also had a little bit of difficulty sourcing ingredients such as the King Edward potatoes for the (To)fish & Chips but overall I was able to find what I needed or an easy substitution. **Great British veganic** 'Áine Carlin Bestselling author of Keep It Vegan and The New Vegan If you're craving your favourite British comfort foods but also want to embrace a plant-based lifestyle then Great British Vegan is the book for you. **Great British vegangster rostock** Whether you're vegan flexitarian or merely interested in cutting down on your meat consumption there's no reason you can't still indulge in all your favourite British classics using easy-to-find ingredients. **Great British Vegan ebook reader** With great-tasting simple to make home-style recipes that will comfort as well as nourish this book makes sure you'll never miss out on Sunday roasts full English breakfasts or afternoon teas again. **Great British Vegan ebooks online** This unique take on vegan cooking reimagines over 80 classic British dishes including Full English Shepherd's Pie Banger's & Mash Yorkshire Puddings Beer Battered (To)Fish & Chips Sausage Rolls Welsh Rarebit Scottish Shortbread Eton Mess and Sticky Toffee Pudding:
