

This Wonderful Season With You By Atsuko Yusen **This wonderful season with you book pdf** Enoki tells Shirataki to wait several times as this will be his first time having sex Shirataki pressures him into it by implying and saying that Enoki telling him to wait makes Shirataki feel unwanted. **This wonderful season with you again** I was really hyped to get to read this book I mean Dekoboko Sugar Days was one of my FAVOURITE books last year and this is a new one by the same mangaka! Sadly... it just didn't have the same impact for quite a bit of the book. **Book this wonderful season with you free** The stereotypes of the computer club people the way they called everyone normie which just seemed weird and out of place and hurtful and not to mention how they avoided everyone or had their judgement ready the computer club I would have liked them see do something... because now we barely got anything I wasn't a fan of you are sexier without glasses stuff come on no. **This wonderful season with you chapter 1** Paperback An all-new boys love by the creator of Dekoboko Sugar Days! Enoki is practically the poster-boy for what a typical nerd looks like: short and slight complete with big round glasses and social awkwardness. **This wonderful season with you book pdf** Paperback SO PRECIOUS AND WHOLESOME!! Enoki and Shirataki are so freaking cute together I've loved reading this because it's a light read of two boys falling for each other even being the opposites of each other they have such great chemistry and understanding.

This wonderful season with you chapter 1

I received an Arc from NetGalley and Tokyopop in exchange for an honest review. **Kindle this wonderful season with you free** This was a fun and charming manga following Enoki who sees himself as an otaku: **This wonderful season with you chapter 1** And Shirataki who was once a famous baseball player until he hurt his shoulder: **This wonderful season with you chapter 1** Although the meet-cute was lovely and I really enjoyed the characters growth I had problems with the sex scene at the end, **This Wonderful Season With You die** Also another issue is Enoki feeling the need to change his body to 'deserve' Shirataki. **This wonderful season with you ks2** Unfortunately these two things ruined what would've otherwise been an adorable story: **This wonderful season with you dance** For this reason I'm giving This Wonderful Season With You a 2: **This wonderful season with you chapter 1** Paperback I received this book from Netgalley/publisher in exchange of an honest review, **This Wonderful Season With youdecide** It got better as the story went on but... yeah there were just things that didn't work for me, **This wonderful season with you chapter 1** There were also a few other things but these are the biggest ones: **This wonderful season with you bl manga** The relationship takes A LONG time to form which on the one hand had me happy but on the other hand it took just WAY TOO LONG, **This wonderful season with you ks2** □ But it was cute to see them both figure out their feelings (maybe with some help) get closer with each new thing they do (like exercising together): **This Wonderful Season With youdrive** Enoki is small little and as Shirataki claims weak but with guts. **Wishing you a wonderful year full of** I loved the differences between them and I loved that it worked with them! They really make a cute couple and I was rooting for them to get together for real. **This wonderful season with you chapter 1** I also love love that Shirataki the more silent one and our big guy took the first steps! Yas! So many manga it is the different way around so this made me happy: **This wonderful season with you chapter 1** I love that we also learn a bit more about Shirataki's complicated home situation. **This wonderful season with you chapter 1** I would have also liked some information on Enoki's family though! Then when things really started happening I was just queeing in delight, **This Wonderful Season With youdrive** YAS! Go boys! And I love that just like Dekoboko Sugar Days we get to see the first date and the first time they had sex (which was both sexy and hilarious), **Book this wonderful season with you free** The art was just as fabulous as her art in Dekoboko Sugar Days: **This wonderful season with you book review** All in all while not always the best I still loved reading this one, **This wonderful season with you book review**

This is a couple that will have everyone rooting for them: **This wonderful season with you kindle** It got pretty adorable and cute! Review first posted at <https://twirlingbookprincess.com/> Paperback So cute!! Maybe there wasn't this huge plot but the story was nice and realistic: **This wonderful season with you chapter 1** Paperback 4 Review: **◆◆◆** Could it be? Can I find a new world...in a place like this?" Adorable: **This wonderful season with you hsr** The little parent trap scene was honestly so wholesome to me. **This wonderful season with you chapter 1** This Wonderful Season with You is a romance manga that follows the relationship between Enoki (He's shy and nerdy) and Shirataki (he's the ex baseball star). **This wonderful season with young gif** Both are still in high school and meet due to Shirataki joining Enoki's club: **This wonderful season with you book waterstones** Let's start with the positives: The art work was phenomenal: **This wonderful season with you chapter 1** The characters were distinctive and I loved all the over exaggerations- they never fail to make me laugh, **Story of seasons a wonderful life guide book** The characters go out of their way to talk about their relationship and what they can and cannot do in public and acknowledge the homophobia they would have. **This wonderful season with you chapter 1** Which was interesting and something I'd never seen discussed as extensively in other manga, **Story of seasons a wonderful life guide book** It didn't have many unique qualities and was more forgettable than other volumes I've read: **This wonderful season with you hsr** On top of that- Shirataki was callous and cruel and his "growth" seemed to occur overnight, **This wonderful season with you book review** To be honest- I didn't really get what Enoki saw in him and then to make matters worse- He wanted to change who he was for his relationship, **Kindle this wonderful season with you free** Then as things seemed to look up towards the end- we get the most uncomfortable love scene: **The wonder of you the crown season 2** To recommend or to not recommend: I rounded up a little because of the artwork and homophobia discussion but I cannot say I recommend this manga. **Wishing you a wonderful year full of** I have just read so many that were better- especially recent years, **This wonderful season with you chapter 1** Thank you to Netgalley and Tokyo Pop for providing me with a copy in exchange for an honest review. **Hey what a wonderful time today** His main hobby is making video games and he's used to not having many friends at school, **This wonderful season with your emotions** Then he meets Shirataki a former member of the baseball club and his exact opposite; tall muscular and sporty, **Story of seasons a wonderful life book** Despite their many differences the spark of friendship between the two boys begins to grow into something more. **This wonderful season with you chapter 1** This Wonderful Season With You

25/5 - it was cute I guess but I didn't really like the art: **This wonderful season with you book waterstones** No actual plot to speak of just your run of the mill high school romance bl plot: **This wonderful season with you book pdf** And maybe just my preferences but it could have been better without the sex scene at the end. **Kindle this wonderful season with you kindle** -I really liked the mangaka's first manga but this one not so much, **This Wonderful Season With you** as well that was adorable ! Paperback plis me mataron de amor <33334 de 5 estrellas, **This wonderful season with you chapter 1** Paperback I really liked it! The friendship and love between Enoki and Shirataki is very beautiful. His main interests being his electronics engineering club. A classic geek and jock story. 5 stars. At times I just was frustrated. I just wanted these two to get together and do

kissing. Haha. I love that they were so different from each other. Whereas Shirataki is muscular and sporty and very big. To get romantic. One-shot high school BL romance. Highly recommend! Paperback 2.5 Stars The more I thought about this manga. the more annoyed I got and so I've rounded down. Though complete opposites they become close and eventually more. •However the manga in the end was bland. Content Warnings: Dubious consent Homophobia bullying. Or the character design really. It felt icky somehow. Yeah well. Paperback 5 stars for the characters having food names. Paperback.
