Knight Watch Badges (Iron Orchids #11)

Kat is a strong and independent motorcycle law enforcement officer who is brash and feisty.

**Contemporary Kat, Knight Watch badgeskins** This was my first book by Danielle Norman and I have to say I am quite intrigued with the way this author's mind works! Knight Watch was a treat to read - Kat is a leather wearing motorcycle riding and a commitment-phobe cop who is absolutely ambivalent towards kids. **Contemporary Kat, Knight Watch badgesource** Jackson single father with a psychotic ex needs a new lease on life for him and for his adorable 4-year-old son Julien - and now joined as a Bank Branch Manager in a whole new city away from his past and for a new beginning! Both Kat and Jackson are insanely attracted to each other the instant they cross paths - an attraction they both decide to act on for one night and one night only! But when Jackson's past collides with Kat's present especially after their encounter that neither of them can ever forget - their lives take a turn that neither of them would have ever imagined! I so enjoyed the progression of Jackson and Kat's relationship - but actually earned my respect for the author's talent was the fact that Kat didn't magically turn into a mothering or nurturing woman - she stayed true to her original feelings about kids especially after meeting Julien she never lies or denies that kids aren't on her plan not to Jackson nor to herself! It takes her time to understand that she could actually and does come to adore Julien like he deserves to be. **Kat, knight watch badges ebook free download** Add in to the plot a twisted psychotic ex as well as a well meaning but very nosy & interfering boisterous family; you get a well rounded and a wonderful romantic suspense; that will make sure you keep an eye out for the next book in the series! In fact I loved the relationship that developed between them The chemistry between Kat and Jackson is intense as the attraction between them builds. **Book Kat, Knight Watch badgesource** Il y avait du potentiel pour cette romance (j'aimais beaucoup le couple banquier cajun / policière badass =) ) mais l'histoire avec l'ex dingue était tellement incohérente et mal ficelée que ça a ruiné la romance pour moi (j'ai trouvé que Jackson aurait pu prendre plus de mesures et plus tôt

(mince elle avait failli tuer son fils et lui quand elle réapparaît il attend que ça se passe !!) que les policiers avaient fait n'importe quoi (une femme sous surveillance disparaît personne ne prévient l'ex mari . **EPub Kat, Knight Watch badges online** There was potential for this romance (I really liked the Cajun banker / badass police couple =) ) but the story with the crazy ex was so incoherent and poorly put together that it ruined the romance for me (I found that Jackson could have taken more measures and earlier (damn she had almost killed her son and when she reappears he is waiting for . **Contemporary Kat, Knight Watch badgesource** Can Jackson protect his son and Kat? Or will it be too late? Kat Knight Watch Badges (Iron Orchids #11) Kat Knight Watch (Badges Book 4 Iron Orchids Book 11) by Danielle Norman is a fantastic read. **Contemporary Kat, Knight Watch badgeskins** Jackson's ex was a whack job!!! The stuff she pulled was just bat shit crazy! Part of me hates how things went down at the end the role that Kat had but another part of me is glad that she is finally out of their lives. **Book Kat, Knight Watch badges online** And all of this happens before she wakes up and faces reality where in fact she is a 50 something mom with grown kids she's been married longer than Theo's been alive and now get her kicks riding a Harley. **Book Kat, Knight Watch badges online** And all of this happens before she wakes up and faces reality where in fact she is a 50 something mom with grown kids she's been married longer than Theo's been alive and now get her kicks riding a Harley. **Book Kat, Knight Watch badges online** They are a force to be reckoned with on the job and a hoot off it, **Book Kat, Knight Watch badges online** The books in this series are all so well written that I feel like I know these ladies and I'm just a part of the group: **Contemporary Kat, Knight Watch badges for men** Kat is a motorcycle police officer that takes her job as seriously as she does her single lifestyle: **Book Kat, Knight Watch badges images** She has 4 sisters that keep her on her toes and of course her girl gang that keep her sane and often in trouble, **Kat, Knight Watch Badges kindle fire** She has a great group of friends and her boisterous family which doesn't leave much time for anything else until Jackson comes to her rescue. **Contemporary Kat, Knight Watch badgeskins** Jackson is a single father to his four year old son Julian who wears corporate suits and has the job to go along with it. **Book Kat, Knight Watch badges online** After his last relationship he isn't looking to go down that road again but staying away from Kat is easier said than done: **PDF Kat, Knight Watch badges** These two couldn't have been more different or more perfect for each other, **Book Kat, Knight Watch badges of honor** Hot chemistry.
