Kill after kill Lars's bloody hands have grown stronger by the day as he's soaked in the EXP from every cultivator whose life he's taken. **EBook Deaths Favorite Warlock 2010** When an elder cultivator powerful enough to destroy Lars with a gesture spirits him away to the Sect of the Spring Rain he ends up as the subject of a twisted plot to uncover and exploit his secret cultivation technique. **Deaths Favorite Warlock 2hnyd18706h510412** Can he navigate the treacherous power struggles of the sect within or will he be killed off by the factions vying for power? What happens if his grisly methods are exposed? One thing is for certain lightning Qi expressions and dances in the next book! 340 3. **Deaths Favorite Warlock 2logx** Thankfully for Ophelia that works just fine as the pact they have requires him to kill to grow in power and well he's has found that to his liking due to the pleasure that he gets after kills. **Deaths favorite warlock 2j jr** I'm not a big fan of harem novels (and didn't think this would turn into one) but what's the point of surrounding the MC with women if he isn't going to anything with them?? 340 Another great read! There is a lot to love about this series:

He must prove once again that you shouldn't mess with a warlock who grows more powerful with every life he takes: **Deaths Favorite Warlock 2k21** Join Lars as he continues to carve his own bloody path to power in this cultivation-themed xanxia inspired LitRPG and Gamelit adventure: **Deaths Favorite Warlock 2b1** Deaths Favorite Warlock 2 (Deaths Favorite Warlock #2) Laughing Lion Another great read! All of his books have been fantastic and entertaining. **Deaths Favorite Warlock 2 books** The quick jabs and witty banter have me laughing out loud (to the annoyance of my wife): **Deaths Favorite Warlock 2b1** I feel for Miller knowing that his church turned from his righteous brutal murders to a peace loving cult. **Kindle Deaths Favorite Warlock 2023** I like how he is starting to incorporate dances and learn to use them: **Deaths favorite warlock 2 book review** Wish it would focus on cool elements and how to use them. **Deaths Favorite Warlock 2a2** Instead it's usually just the core 4 in kinda boring ways. **Book Deaths Favorite Warlock 2019** I do love some good murder hobo content and there is some murder hobo content, **Kindle Deaths Favorite Warlock 2023** There is a lot more background on Ophelia with the inner dialogue which is abundant, **Deaths favorite warlock 2 pdf** I'm curious to see where things go in the next addition, **Kindle Deaths Favorite Warlock 2023** 340 Another action packed pageturner Charles Dean hits it out of the park once again with the latest installment in the tale of a young cultivator haunted by death. **Deaths Favorite Warlock 2a2** 340 Murderhobo Being comfortable running around naked because all the fights keep destroying your robes. **Deaths Favorite Warlock 2 pdf drive** What was once horrific is now becoming an addiction but just getting strong enough to survive was only the start, **Deaths Favorite Warlock 2 epub.pub** There is a little skill growth a god-like being Born different. **Deaths Favorite Warlock 2fa enable** That phrase has controlled humanity for eons and the 'people' of this world see non-beast races as less than themselves. **Deaths Favorite Warlock 2k21** Ophelia on the other hand hates them all she blames the cultivators for ruining the world: **Deaths Favorite Warlock 2gig** As our MC is a pure blood human with no tails he is harassed and looked down on by the beastly cultivators. **Deaths Favorite Warlock 2fa enable** He has grown quickly on strength and drawn attention from a powerful sect now he just has to survive getting in through their gates, **Deaths Favorite Warlock 2 pdf filler** Oh and then survive when he shares information that tears apart the sects leadership - in his first week there. **Deaths favorite warlock 2 epub download** Great story within a cultivation world of a misfit who has the potential to outgrow

the planet... with enough deaths, **Deaths favorite warlock 2 pdf** It's mostly just word banter between the MC and everyone else. **Deaths favorite warlock 2 kindle free** Mostly clean so far but I don't like the characters enough to keep following this series. **Deaths favorite warlock 2 ebook free download** This one just seemed lesser on most aspects compared to the first: **Deaths Favorite Warlock 2b1** Less philosophical less murderhobo less vengeance less adult even less progression: **Deaths Favorite Warlock 2lvl** I'm also not sure if it's still trying to satirize cultivation novels or is just fully embracing it now. **Deaths favorite warlock 2 book review** Admittedly the story is a little silly sometimes and the humor is expansive but it does not detract too much. **Deaths Favorite Warlock 2 epub.pub** Overall I am very interested in what happens next! Recommend! 340 Need more like this one, **PDF Deaths Favorite Warlock 2016** Here I am 2 days before my final exam reading this freakin masterpiece of humor and murder wondering about my own sanity: **EPub Deaths Favorite Warlock 2013** I'm definitely recommending this to all my friends then forcing them to read it. Excited for more butchering.

But it was mediocre. 340 Less murder hobo-ey than the first book. I don't know if that is a good thing or not. These conversations bring a lot humor to the book. Or host to the goddess of death. Yep sounds like a murderhobo to me.5 starsNot too much different from book 1. So much so I got a little bored. It's a drug like high that has no comparison for him. 340 Book twoMistakes: I found one mistake in this book.Plot: There really isn't much plot to this book.Characters: This is a harem series.5/10 340 Didn't quite live up to the first. Good action an interesting system and memorable characters.Got really excited for this one. Well done mate well done. 340
